A Letter from the Blinn PTA Program

Dear Physical Therapist Assistant Program Candidate:

Thank you for inquiring about the Physical Therapist Assistant (PTA) Program. Enclosed you will find program information, including the admission requirements, and an admission application for the PTA Program at the RELLIS Campus of Blinn College.

The PTA Program begins in the Fall semester each year, and is designed to be completed in two years. Although many students take their general education courses toward their degree prior to admission, sequencing of the physical therapist assistant classes will still require two years to complete the program.

If you wish to be considered for admission into the program, you must submit evidence of meeting all of the application and admission requirements. It is the applicant's responsibility to ensure that all application information has been received at the Blinn College PTA Program office, and that their admissions file is complete.

It is recommended that all interested applicants attend an information session where you will learn about the application process, the physical therapy profession, the Blinn College PTA Program, and course scheduling options. Please e-mail pta@blinn.edu or victoria.parnell@blinn.edu with questions or assistance with the application process.

Best wishes in the pursuit of a rewarding career in physical therapy through the PTA program at Blinn College.

Sincerely,

Blinn PTA Program

APPLICATION REQUIREMENTS

The following are requirements for application to the PTA Program. These requirements must be fulfilled and evidence of completion must be submitted. Failure to submit evidence of fulfilling ALL application requirements will exclude applicant from being considered for admission.

- Complete all admission requirements and be admitted to Blinn College.
- Complete all prerequisite courses as per PTA curriculum.
- Provide official transcripts from ALL colleges that you have attended in your application packet to the PTA office. Current Blinn College students may provide a current unofficial transcript for Blinn College hours.
- Submit a completed PTA Program application. This application is currently still available as a hard paper copy but may be converted to an electronic version during this application process. Please note that admission to the PTA Program is a separate process from admission to Blinn College and requires a separate application and transcripts.
- Include an official passport-type photograph taken recently with your application.
- Take the ATI TEAS Test (previously the Health Occupational Basic Entrance Test or HOBET) administered by the Center for Student Development. Please see the ATI TEAS information form in this packet for further details. It is the student's responsibility to provide a copy of their ATI TEAS score to the PTA office. Ask the testing center how to best have those scores submitted to the PTA Program.
- Submit any Documentation of Experience Form(s), included in the application packet, for physical therapy work or volunteer hours verified by a PT or PTA. A minimum of 20 hours of work or volunteer experience is required; it is recommended that a combined minimum of 60 hours volunteer/work hours which will be obtained with 3 separate disciplines to include a minimum of 20 hours at each (i.e. acute care, rehab, outpatient, etc.). It is the applicant's responsibility to contact a physical therapist department to arrange for this experience. Most PT departments are accustomed to student volunteers and will help you in obtaining these observation hours. It is advisable to start your physical therapy experience as soon as possible to be sure you are making the correct career choice for yourself. ***Please note, volunteer hours will be accepted within two years of application.*** Applicants will waive the right to review the completed volunteer form in order to afford an unbiased evaluation by the supervising therapist.

Submit completed application packet to the Physical Therapist Assistant Program office by March 1.

Application Packets can be submitted beginning January 1 of each year.

NO packets or forms will be accepted before this time.
