The request must include an explanation of what steps that the Candidate has taken in an effort to improve his/her performance. A Reapplication Fee is also required from a Candidate to continue in the licensure process after failing the Board required examination two (2) times.
- F. A license renewal is considered lapsed due to a bounced check or credit card or e-check refusal.

The Mississippi Board of Examiners for Licensed Professional Counselors shall adhere to the Open Meeting Law, Section 25-41-3, Miss. Code Ann. (1972) as amended. The following regulation is enacted for the purpose of providing reasonable written procedures concerning the cost, time, place, and method of access, under the provisions of the Mississippi Public Records Act of 1983 (Open Records Act) [Section 25-61-1, et. seq.]

It is not intended that these procedures shall apply to any public record or other document which is exempt from the provisions of said Act or not covered by the provisions of the Open Records Act.

Any individual seeking to inspect, copy, or mechanically reproduce or obtain a reproduction of any public record of the Board should make a written request signed by the individual to be mailed to the Executive Director of the Board. The written request must be typed or clearly hand printed on a letter size piece of paper and shall specify in detail the public record sought. The request should include if possible a description of the type of record, title of publication, and other information, which may aid in the locating of the record.

The written request must specify the purpose for obtaining the record that the individual requesting the record proposes to do with the record, i.e. inspect, copy, etc; state the date and time for the proposed activity; state the number of persons scheduled to participate and shall provide the name, address, and home and office telephone number of the applicant. Where possible, nonexempt material will be separated from exempt material and only the exempt material will be withheld.

If the Executive Director determines that the records requested are exempt or privileged under the law, she shall deny the request and shall send the person making the request a statement of specific reasons for the denial. Such denials shall be kept on file for inspection by any person for three (3) years. The Executive Director is authorized to calculate the estimated cost of searching, obtaining from storage, reviewing, shipping, and/or duplicating records and to require payment in advance of such estimated charges prior to complying with request. There shall be a charge of \$1.00 per page for each copy. Copies printed on both sides (front & back) shall be considered as two pages for copy charge purposes. Mailing cost shall be calculated at the applicable rate for each such mailing. If request involves notice to be given to a third party, the cost of mailing such notice via certified mail return receipt requested shall be charged to the person requesting such public records. In the event that actual cost of such activity exceeds the estimate, the Executive Director is authorized to withhold mailing or delivery of said documents or to delay inspection until the difference is paid.

2. there is pending or anticipated litigation, administrative action, or other adjudication which may either answer the question presented by the request or otherwise make an answer unnecessary;

16. the question involves eligibility for a license, permit, certificate, or other approval by the Board or some other agency, and there is a statutory or regulatory application process by which eligibility for said license, permit, certificate, or other approval would be determined.

E. Form of the Request for a Declaratory Opinion - Written Request Required. Each request must be printed or typewritten, or must be in legible handwriting. Any declaratory opinion rendered by the Board shall be binding only on the Board and the person to whom the opinion is issued. No declaratory opinion will be used as precedent for any other transaction or occurrence beyond that set forth by the requesting person.

## *Rule 6.2: Continuing Education Requirements*

### A. General Guidelines

1. Continuing education shall be defined as continuing education hours (CEH). One CEH is equivalent to one (1) contact (clock) hour, which equals fifty-sixty minutes in a continuing education activity.
2. Each active LPC Licensee (Active Status LPC) must accrue 24 CEH by the biennial renewal period. Six (6) of the twenty-four (24) each biennial renewal period must involve topics in professional ethics or legal issues in the delivery of counseling services.
3. A Licensee shall not be required to complete continuing education for the first renewal of licensure.
4. Accrual of continuing education begins only after the date the license was issued.
5. CEH accrued beyond the required 24 hours may not be applied toward the next renewal period. Renewal periods run from July 1 to June 30, every two (2) years.

### B. Documentation

1. At the time of renewal the Board will conduct a mandatory audit of 10 percent (10%) of the LPCs who will be randomly chosen. The audit is to ensure that the CEH requirement is being met. If you are one of the 10 percent chosen, you will be requested to submit additional documentation within 30 days of the date of receipt of the audit notice. The Board will review the records and respond to the individuals with a statement of compliance or non-compliance.
2. Each Licensee is responsible for keeping a personal record of attendance and completion of all continuing education hours. This documentation should be retained for two years from the end of the license renewal year. Do not forward documentation of CEH to the Board office as they are accrued.
3. Non-Compliance. If an audited LPC fails to comply with the CEH requirements, the non-compliant LPC will have three (3) months to comply. Failure to comply within the three (3) month period will result in Suspension Status.

### C. Approved Continuing Education Criteria

1. CEH are meant to encourage personal and professional development throughout the LPC's career. For this reason a wide range of options are offered to accommodate the diversity of counselors' training, experience and geographic locations.
2. An LPC may obtain the 24 CEH through one or more of the options listed below.

a. Continuing Education Pre-approved. Continuing Education approved by the following entities, and others, that meet standards similar to or exceeding those required by the Board:

- i. American Counseling Association (ACA),
- ii. American Mental Health Counselors Association (AMHCA),
- iii. Mississippi Counseling Association (MCA) or Mississippi Licensed Professional Counseling Association (MLPCA),
- iv. American Association for Marriage and Family Therapy (AAMFT),
- v. The National Board of Certified Counselors (NBCC).

One may contact these associations or their divisions, regions and state branches to find out which organizations, groups or individuals are approved providers. One may receive one CEH for each hour of direct participation in a structured educational format as a learner. Credit cannot be granted for: business/governance meetings; breaks; social activities including meal functions, except for actual time of a content speaker. Credit cannot be given for an approved session to persons who leave early from that session.

b. Continuing Education Not Pre-approved. For those organizations, groups or individuals that do not carry provider status by one of the above associations, the CEH will be subject to approval by the Board at the time of renewal. The Board will not pre-approve any type of CEH. The CEH must be given by a qualified presenter. A qualified presenter is considered to be someone at the master's level or above and trained in the mental health field or related services. One may receive one clock hour of CEH for each hour of direct participation in a structured educational format as a learner. Credit cannot be granted for: business/governance meetings; breaks; social activities including meal functions, except for actual time of a content speaker. Credit cannot be given for an approved session to persons who leave early from that session. Verification for workshops, seminars, or conventions should consist of copies of certificates of attendance, and other documentation, which clearly indicates learning objectives.

c. Coursework. CEH may also be gained by taking coursework from a regionally accredited institution in one of the 11 approved content areas for continuing education listed. One may take a course for credit or audit a course. In a college or university program, one semester hour is equivalent to 15 clock hours and one-quarter hour is equivalent to 10 clock hours. Therefore, 45 CEH will be given for a three-hour university course and 10 CEH will be given for a one quarter-hour university course completed at a regionally accredited university. Verification for coursework can consist of either a copy of transcripts for coursework taken for credit or letter of attendance from instructor for courses audited.

- d. Home Study. The ACA Newsletter Counseling Today, the AMHCA Newsletter, The Advocate, video presentations and approved teleconferences are all approved home study options. Each option must carry a provider number from either NBCC, or other board approved mental health organizations. Each activity will specify the number of CEH that will be granted upon completion. Verification consists of a certificate issued by NBCC, or certificates from other professional mental health organizations that will be reviewed by the board.
  - e. Presentations. Presenters may get credit for original presentations at a rate of five clock hours per one-hour presentation. Presenters must meet the qualifications stated in Subparagraph 2.b above. The presentation must be to the professional community; not to the lay public or a classroom presentation. Verification of your presentation consists of obtaining a letter from the workshop/convention coordinator stating the topic, date, and number of hours of presentation.
  - f. Publishing. Authors may receive five clock hours per article or chapter in a book. The article must be published in a professional refereed journal. Verification will consist of a reprint of the article/chapter or a copy of the article/chapter, cover of the book/journal and page listing the editor or publisher.
  - g. Counseling (10 hours maximum per renewal period). One may receive one clock hour of continuing education per counseling hour as a client. To qualify, one must be a client receiving services from a licensed mental health professional having qualifications equal to or exceeding those currently required of LPCs. Consultation and supervision hours do not qualify. Verification will consist of a letter from the counseling mental health professional verifying client therapy hours.
  - h. Research. One may receive one clock hour of continuing education per hour of planning or conducting of, or participating in, counseling or counseling-related research. To qualify, this activity must constitute an original and substantive educational experience for the learner. Verification will consist of a letter from the faculty member or researcher.
  - i. Organizational and Regulatory. One may receive one clock hour of continuing education per hour of service to the Board or to a Board approved counseling service organization. To qualify, this activity must constitute an original and substantive educational experience for the learner. Verification will consist of a letter or certificate from the Board or from the Board approved counseling service organization.
3. Continuing Education credit will not be allowed for the following:
    - a. Regular work activities, administrative staff meetings, case staffing/reporting, etc.

- b. Training specifically related to policies and procedures of an agency may not be counted,
- c. Non-counseling content courses.

D. Types of Documentation Needed for Verification

1. Copy of certificate of attendance for workshops, seminars, or conventions.
2. Copy of transcript for coursework taken for credit/letter of attendance from instructor for courses audited.
3. Home study verification form or certificate issued by sponsoring organization.
4. Letter from workshop/convention coordinator verifying presentations.
5. Copy of article, cover, and editorial board page for publications.
6. Letter from counseling mental health professional verifying number of hours in counseling as a client.
7. Letter from the faculty member or researcher verifying number of hours in research.
8. Letter or certificate from the Board, or from the Board approved counseling service organization, verifying number of hours of service.

- B. Wall certificates issued by the Board are the property of the Board and must be surrendered upon official request.
- C. Each Licensee must ensure that the current wall certificate bears his/her current legal name. A Licensee in good standing whose name has legally changed may request a replacement wall certificate by submitting the following:
  1. Written notification of the change and a request for a new wall certificate bearing the Licensee's current legal name;
  2. A copy of the legal paper document indicating the change;
